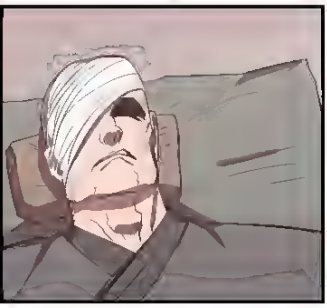
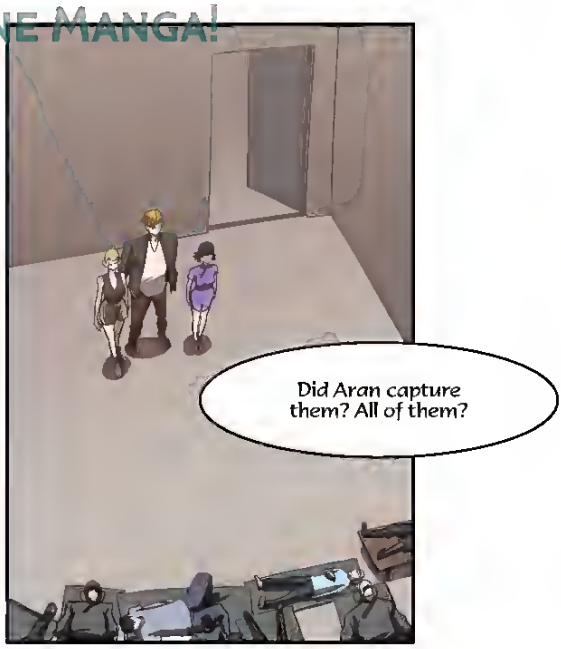
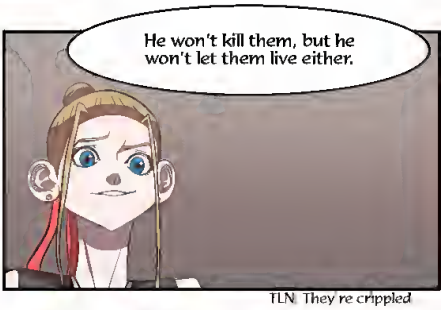
The Main Clan's dojo that was relaying data was destroyed...
Not only that... The number of hostages has increased.



LONE MANGA!





TLN: They're crippled.

Ha! We've really got ourselves a hero here.

SWAY

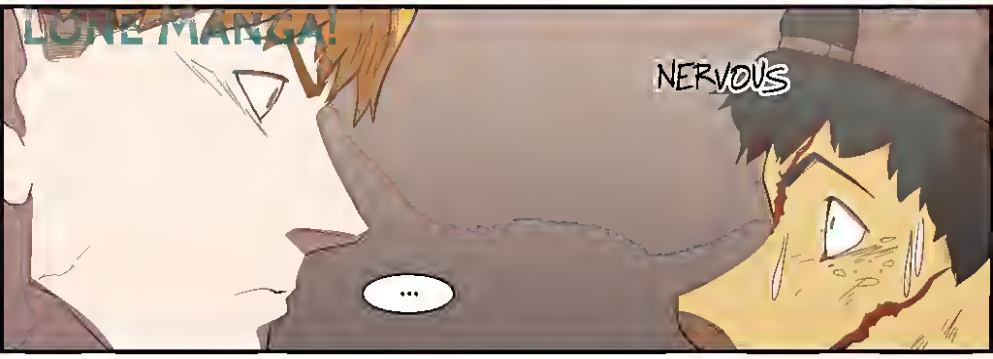
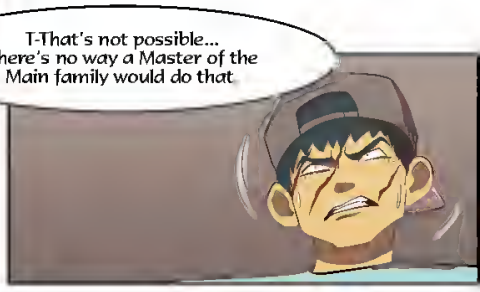
We request a hostage exchange.



LONE MANGA

No can do. The "Hero" of the Main Family decided to kill every last one of our people, you see.



T-That's not possible... There's no way a Master of the Main family would do that

They're prisoners
that Aran saved. Even if they
are from the Main Clan...

We should
respect his will...

They killed our disciples without hesitating. You know that.
Ah-reum is right. Aran is our leader and he's decided to keep these people as prisoners.
We can't just disobey him.

STEP
STEP

If that's
the case...

I'll need to
take revenge in
another way.
